Dear Mr. Acharya:

The Georgia Department of Transportation has reviewed your updated Schedule "A" Disadvantaged Business Enterprise (DBE) application. Our evaluation of the information submitted with your request for certification indicates that your firm has met the criteria outlined in Federal Regulations 49 CFR, Part 26.

Accordingly, your firm has been certified for a period of three (3) years beginning with the effective date of this letter and the expiration date is **October 29, 2006**.

Your Vendor ID Code is: 2EA475

Your firm has been certified to provide the following services as outlined in the North American Industry Classification System (NAICS):

NAICS Code 54137 Surveying and Mapping (except Geophysical) Services

You will receive an annual Affidavit and Personal Net Worth (PNW) approximately thirty days prior to your firm's certification anniversary date. This affidavit and PNW must be completed, signed and returned to our office before your anniversary date in order to continue your firm's eligibility as a **DBE**.

If at any time during the year there is a change in ownership and/or control of your firm, you are required to notify this office of such change in writing.

Sincerely,

Charles E. French, Equal Opportunity Administrator
